

Read the documents in the accompanying insert and answer **all** the questions.
Answers should be written in continuous prose.

You should spend approximately 10 minutes reading the documents in the insert before attempting to answer the questions. This is allowed for within the time set for the examination.

Medical priorities

1 Study Document 1.

Doctors receive gifts from pharmaceutical companies.

Identify and explain **three** negative effects this might have upon patients, as given by the authors of Document 1.

You should give **three** different explanations. [6]

2 Study Document 1.

Assess the strengths and weaknesses of the authors' argument in Document 1. [12]

3 Study Documents 1 and 2.

The authors of Documents 1 and 2 reach different conclusions about gifts from pharmaceutical companies to doctors.

To what extent is the evidence the author uses to support the argument stronger in Document 2 than that in Document 1? [12]
