3 Rhiannon Enterprises manufactures ladies clothes. Its best selling products are fashion jeans and T-shirts. Figure 1 shows sales data for these products. In 2014 the value of the sales of these 2 main products was 50% of the total sales of the business. The market for ladies' clothes is very competitive. In 2013 the business reduced the price of its jeans by 25%. It is now trying to find low cost suppliers of cloth to increase its profit margins. Sales of some other products have been falling despite Rhiannon Enterprises increasing advertising spending on them.
