 [1]

[Total: 8]

Exercise 2

- 5 You will hear a teacher giving a talk about umami, which is one of the five basic tastes found in food. Listen to the talk and complete the sentences below. Write **one** or **two words** only in each gap.

You will hear the talk twice.

Umami

Umami is known as a taste, along with the four other basic tastes.

The umami taste was first identified in a food which has as an ingredient.

The teacher says that the word '.....' is one of the translations of umami.

The place you're in, your cultural background and your can all affect your sense of taste.

The ability to detect different tastes helps people to avoid, which tends to be bitter.

We are keen to eat sweet foods, which give us a source of

Umami is made up of a combination of a type of acid and other natural

Umami can help people such as children, old people or enjoy food more.
