

**MARK SCHEME for the May/June 2014 series**

**0525 GERMAN (FOREIGN LANGUAGE)**

**0525/43**

Paper 4 (Continuous Writing), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2014 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

	<b>IGCSE – May/June 2014</b>	<b>0525</b>	<b>43</b>

**Total marks for paper: 50**

25 marks per question. Each question is marked over a maximum of 140 words.

**1 Communication: 5 marks**

Put a stroke for each of the 5 relevant points.

Record 0 for a failure to score a point.

The Communication points should be lettered. Put a1, b1, c0 etc as appropriate in the right hand margin (For examiner's use)

**2 Language: 15 marks**

Examiners are required to award ticks beside each Marking Unit which is substantially correct. Errors are not to be indicated. The total number of ticks should be recorded at the foot of the page and converted to a mark out of 15 using the Conversion table at the end of the mark scheme.

**3 General Impression: 5 marks**

The pro rata mark based on the Language mark should serve as the first guide. This mark should be adjusted up or down by one mark where this is justified by positive qualities, such as unusually good vocabulary or ambitious use of language, or by negative qualities, such as excessive repetition.

0–1 Does not rise above the requirements for the Directed Writing Task in Paper 2.

2 Fairly good use of idiom, vocabulary, structures and appropriate tenses.

3 Good use of the above.

4 Very good use of the above.

5 Excellent use of the above.

**Recording of marks**

Marks should be recorded at the end of the answer as follows:

Communication	+	Language	+	General Impression	=	Total
E.g. 4/5	+	10/15	+	3/5	=	17/25

Enter each of the two marks on the front of the Script and record the total out of 50.

Please ensure that these marks are checked carefully, especially the conversion of ticks to marks for Language.

### Counting words

## MARKS FOR RELEVANT COMMUNICATION

### General principles

- (a) A **Communication Mark** may only score if it occurs in the first 140 words.
- (b) Do not award **Communication Marks** when the required elements are expressed in inappropriate time frames:
- e.g. *Letztes Jahr reise ich nach Deutschland* = 0 for Communication.
- However a Present Tense is perfectly acceptable where a Future context is clearly indicated:
- e.g. *Nächstes Jahr reise ich nach Deutschland* = 1 for Communication.
- (c) Any genuine attempt to convey a tense should be awarded for **Communication** purposes.
- e.g. *Ich gewesen im Urlaub* = 1 for Communication
- (d) Accept for **Communication** the use of any past tenses when a past is required, even when a different past tense would normally be used. Allow Perfect, Imperfect or Pluperfect.
- (e) The historic present is not normally accepted (for **Communication or Language**).
- (f) If the Mark Scheme requires two 'reactions' in Question 2 and they are expressed as a list, e.g. *Ich war traurig und müde* or *Es war interessant und lustig*, award one Communication mark only. (A verb has to be used each time a Communication mark is awarded, e.g. *Ich war traurig [...] Ich war müde*, award two Communication marks.)

Accept any sentence showing an attempt at the Present Tense, giving the number of people in the family. Accept sentences giving details about family members.

## QUESTION 2

Candidates are awarded 1 mark, up to a maximum of 5 marks, for each **COMMUNICATION** point relevant to the development of the storyline in the past tense (no Communication marks for points made in the present or future tense).

The story should be told mainly in the Past Tense, as clearly indicated by the rubric. Of course any sentence which clearly relates to the present or the future should be credited appropriately for Language (e.g. description of person, place featuring in story or reference to a future event).

NB: **BOTH** Communication points must be covered in order to gain all 5 Communication marks. (A maximum of 2 communication points accepted for Q2a, a maximum of 4 Communication points accepted for Q2b)

### Question 2:

*Last week, when you were in a department store, you saw someone put an iPod into their bag. Describe:*

**(a) How you reacted when you saw the thief** (*maximum of 2 Communication marks*)

Accept emotions/reactions and award a Communication mark for each new emotion/reaction given, up to a maximum of 2.

**(b) What happened afterwards** (*maximum of 4 Communication marks*)

Communication Marks are awarded for each statement given in an attempt at the Past Tense. Any 4 events can be awarded. NB: they do NOT have to be specific activities which the candidate did. Marks can also be given for the description of relevant events/any information which allows the story to unfold/develop.

**[TOTAL: 5 for COMMUNICATION]**

## LANGUAGE MARKS

### General Comments

This positive marking scheme is intended to reward both accuracy and ambition. No marks are deducted for errors.

### Marking Units

A tick is awarded for a correct Marking Unit of which each element is correct. The tick is recorded over the scoring word e.g.

mei<sup>✓</sup>n Freund

A Marking unit may consist of the correct use of any of the following items:

- noun + article/possessive, demonstrative adjective
- (subject pronoun) + verb
- infinitive (construction)
- adjective
- preposition
- pronouns (other than subject pronouns) including reflexives and interrogatives
- All adverbs (except *sehr* and *gut*)
- All conjunctions (except *und* and *aber*)

NB: Extra marks are available for the use of plurals, negative expressions, correct word order, etc as per the details in this mark scheme.

### Spelling and Punctuation

Accept old as well as new German spelling.

Spelling must be correct in order to gain Language marks **EXCEPT**:

- Inaccuracies in the use of umlauts are tolerated so long as the meaning is still clear.  
E.g. *Fruhstuck* = 1 tick; *der Rucksack* = 1 tick; *möorgen* = 1 tick;

Where ambiguity is created, the tick cannot be allowed.

E.g. *mochte* instead of *möchte*, *wurde* instead of *würde*, *hatte* instead of *hätte*

(And NB: For a plural noun to be awarded 2 ticks for correct plural spelling, the umlaut must be included, if this is required, e.g. *die Äpfel*, see p10)

However, please be aware that if umlauts are persistently omitted then this will have an effect on the mark for Impression.

- Inaccuracies in the use of Compounds and Hyphens are ignored  
E.g. *der Super Markt* instead of *der Supermarkt* = 1 tick

<b>Page 10</b>	<b>Mark Scheme</b>	<b>Syllabus</b>	<b>Paper</b>
	<b>IGCSE – May/June 2014</b>	<b>0525</b>	<b>43</b>

## Proper nouns

Towns, place names and people's names do not gain Language marks.\* However, specifically German spelt geographical references are awarded if correct.

E.g. *Munich* = 0; *München* = 1; *Bavaria* = 0; *Bayern* = 1; *Frankreich* = 1

Universal names e.g. *Berlin*, *Bonn*, etc. are not awarded.

\* Months are not treated as proper nouns and are dealt with in section I.3 For music genres, do not credit proper names such as *Hip-Hop* etc. Do credit if expressed in German such as *Pop-Musik*, *Rock Musik* etc. If whole lists of German proper names are used, deduct one mark for Impression.

## Letter Etiquette

Allow the use of *Du* or *Sie* in informal and formal letters. In the case of inconsistencies in the body of the letter, reward only the most frequently used. If the letter is written in an inappropriate register award ticks as normal, but deduct 1 or 2 from Impression mark.

Reward an appropriate start of a letter with **one tick** for Language, e.g. the use of *Lieber Herr* or *Liebe Frau*, *Lieber Jens*, *Sehr geehrte Frau*, *Grüß dich!* *Hallo!* ... etc. Multiple addressees (*Lieber Herr...*, *Liebe Frau...*) gain one tick only.

Similarly, reward an appropriate end of a letter with **one tick** for language, e.g. *Hochachtungsvoll*, *mit freundlichen Grüßen*, *Bis bald*.

If the letter has a series of valedictory phrases at the end, a maximum of **3 ticks** can be given (**one tick for each such phrase**): e.g. *Ich hoffe bald von dir zu hören!* *Schreib bald!* etc.

NB: Do not reward 'letter etiquette' for Language when a letter is not required.

## A VERBS

## TOLERANCES

- 1 No credit is usually given to the occasional correctly spelt item in a sequence which makes no sense in German. However, recognisable discrete items such as *mein Vater* may be rewarded in such a context.
- 2 When the gender of the writer is variable, tick only the most frequent. Always accept the declared gender of the writer and ignore the name on the front of the script and/or at the end of a letter or article.
- 3 When the 140th word cuts a marking unit, give credit where possible: *Er hat || gemacht*. Record a tick for *er hat* even though the writer's intention was to form a perfect tense.
- 4 In the case of immediate repetition of an identical item, such as '*Danke, Danke*' or '*Hilfe! Hilfe!*', reward the first instance.

#### **NB: IMPRESSION MARK**

Please note that the Impression Mark should be adjusted up where this is justified by positive qualities, such as unusually good vocabulary or ambitious use of language, or adjusted down where this is justified by negative qualities, such as excessive repetition or, in the case of a letter, by the use of an inappropriate register (e.g. Du instead of Sie in a formal letter), or repeated use of incorrect verb forms (e.g. the use of the infinitive in place of a finite verb), etc.
