4 A government wants to encourage walking as a form of transport in cities.

The following actions are being considered:

- Create more walkways and paths in cities.
- Discourage cars from entering cities.
- Provide lessons in schools on the benefits of walking.

Which **one** of these actions would you recommend to the government, and why?

In your answer, you should:

- state your recommendation
- give reasons and evidence to support your choice
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.
