[8]

Explain how this claim could be tested. You should consider the research methods and evidence that could be used.

[8]

Your answer should:

- consider both arguments
- evaluate their reasoning, evidence and use of language
- support your judgement with their words and ideas.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

The following actions are being considered:

- Organise a peaceful protest march.
- Write to the government.
- Promote the issue on social media.

Which **one** of these actions would you recommend to the environmental action group, and why?

In your answer, you should:

- state your recommendation
- give reasons and evidence to support your choice
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.

This image shows a full page of white paper designed for handwriting practice. It features 20 evenly spaced, horizontal dashed lines that run across the entire width of the page. The lines are thin and light gray, providing a guide for letter height and placement without being distracting. There is no text or other markings on the page.
