4 A government wants to reduce food waste in their country.

The following actions are being considered:

- Provide education on how to reduce and reuse leftovers.
- Increase the price of food to make people buy less.
- Tax restaurants and supermarkets for wasting food.

Which **one** of these actions would you recommend to the government, and why?

In your answer, you should:

- state your recommendation
- give reasons and evidence to support your choice
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.
