4 Your local politicians have decided to try to reduce air pollution in your city over the next five years.

They have suggested the following ways:

- increase taxes paid by businesses that pollute the air
- educate people about alternatives to fossil fuels
- encourage people to use less polluting forms of transport.

Which **one** of these suggestions would you recommend, and why?

In your answer you should:

- state your recommendation
- give reasons to support your recommendation
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.
