Section B

Use the Resource Booklet and your own knowledge to answer Question 3.

You are advised to spend about 50 minutes in answering Section B.

Health, medical care and the quality of life in India: a problem-solving exercise

- 3 (a)** Use Source A to help you explain **three** problems in providing health care in India. [6]
- (b)** Use Source B **and** your own knowledge to help you explain how successful the Indian government has been in improving health and health care in rural areas. [12]
- (c)** 'Improving the quality of life in India is a challenging problem.'

Look at the areas of health care, suggested in Source C, that need addressing. Using the information in the sources and your own knowledge, explain which issue you would consider to be the most important in improving the quality of life in India.

To do this you must:

- Give reasoned arguments to justify your choice;
- Explain with reasons why you rejected **each** of the alternative approaches;
- Explain with reasons **one** disadvantage of the approach you chose;
- Explain how this disadvantage might be overcome. [20]
