

Important reminder about submitting work for Art & Design by Submit for Assessment from 2025

We emailed you in October 2024 about changes to the submission process for Art & Design from 2025. We want to make sure that we support you when you prepare and submit work for Art & Design from 2025.

What do I need to know?

From 2025, you will need to submit Art & Design work to us for marking using Submit for Assessment.

If you send us any hardcopy work for the following Art & Design syllabuses from 2025, we will **not** mark it:

- Cambridge IGCSE Art & Design (0400/01, 02)
- Cambridge IGCSE (9–1) Art & Design (0989/01, 02)
- Cambridge O level Art & Design (6090/01, 02, 03)
- Cambridge International AS & A Level Art & Design (9479/01, 02, 03).

If we receive any hardcopy work, we will return it to you unmarked, and you must submit the work using Submit for Assessment. This may delay your candidates receiving their results.

We will return work to you at no extra cost in 2025, but you must clear the returned shipment through customs and pay any applicable local fees.
