3 Traduisez en **français**:

My friend Jeanne went to the same school as me and we did most of our lessons together. She was a very pretty girl with blue eyes and she had long blond hair. I had known her for two years.

In fact, I liked her a lot and I had already decided that I would invite her to go to the cinema with me. However, last Tuesday, when our French lesson finished at five o'clock, she came up to me.

“Gérard Depardieu has just made a new film”, she said to me, smiling. “He's a superb actor and they say this one is really excellent. Would you like to go and see it with me, Pierre?”

I was delighted to be invited and, of course, I accepted immediately. We arranged a meeting at about eight o'clock at the café opposite the cinema in order to have a drink before the film.

We spent a wonderful evening in town and we hope to go out again as often as possible. Unfortunately, there is a big problem – my parents want to move house! So what are we going to do?
