3 Übersetzen Sie ins **Deutsche**:

Marie wanted to see her aunt in Berlin today. First, she took the bus and then the train. The journey to Berlin takes four hours, but Marie had enough to do: a book, a magazine, and something to eat.

If the journey was boring she could always play on her mobile phone. On the train, she found a seat by the window. She looked for the map of Berlin, which her mother had bought.

Marie was staying with her aunt for a week. She planned to see many sights. She was looking forward to it. Then a man came and checked the tickets of all the passengers. Unfortunately, her ticket was not in her bag.

She became nervous. She looked under her seat: nothing! The ticket inspector waited, then he said, "I will come back in 10 minutes. You have to find it or get off the train." Marie was frightened now.

Was it at home? Then she saw it on the floor. The man came back. She showed him what she had found. Marie was happy. All was fine.
