## **MARK SCHEME for the October/November 2012 series**

### **3248 SECOND LANGUAGE URDU**

**3248/01**

Paper 1 (Composition and Translation),  
maximum raw mark 55

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2012 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

As in any language translation there are different ways of translating to and from any language. This example here gives a good sense of the original English. Examiners will need to read candidates' work and judge how well the candidate had transferred the meaning of the *original*.

Mark each phrase out of 1 putting the mark in the margin. Add up the marks (out of 40) then divide by 2 to get a final mark out of 20.

NB This is not marked for written accuracy but for meaning.
