

Examiners' Report

As January 2010 was the last sitting of this specification, the entry was very small and no further resits are possible, Edexcel will not publish an Examiners' Report for this paper.

So that you can see how examiners applied the mark scheme, the Mark Scheme is available for you to download from the subject pages on our website. If you have any queries about individual candidate's results, then our normal post results services are available and include the option to request 'access to scripts'.

Grade boundaries for this, and all other papers, can be found on the website on this link <http://www.edexcel.com/iwantto/Pages/grade-boundaries.aspx>
