Please check the examination d	etails below before entering you	ur candidate information
Candidate surname	Other	names
Pearson Edexcel International GCSE	Centre Number	Candidate Number
Tuesday 15 J	lanuary 20)19
Morning (Time: 2 hours)	Paper Referen	ce 4MA1/2F
Mathematics / Level 1/2 Unit 2F	4	
You must have: Ruler graduated in centimetres a pen, HB pencil, eraser, calculator.	nd millimetres, protractor, o Tracing paper may be used	compasses,

Instructions

- Use **black** ink or ball-point pen.
- Fill in the boxes at the top of this page with your name, centre number and candidate number.
- Answer **all** questions.
- Without sufficient working, correct answers may be awarded no marks.
- Answer the questions in the spaces provided there may be more space than you need.
- Calculators may be used.
- You must NOT write anything on the formulae page. Anything you write on the formulae page will gain NO credit.

Information

- The total mark for this paper is 100.
- The marks for each question are shown in brackets
 use this as a guide as to how much time to spend on each question.

Advice

- Read each question carefully before you start to answer it.
- Check your answers if you have time at the end.

Turn over 🕨

Write your answers in the spaces provided.

You must write down all the stages in your working.

(a) Write
$$\frac{23}{100}$$
 as a decimal.

10 Jerry went on holiday to a game reserve. He recorded the number of each of five different types of animal he saw. The pie chart below gives information about his results.

(a) Write down the ratio of the number of elephants Jerry saw to the number of giraffes he saw. Give your ratio in its simplest form.

Jerry saw 8 lions.

(b) How many giraffes did Jerry see?

(2)

(2)

Lesley went on holiday to the same game reserve. She also recorded the number of each of five different types of animal she saw. The pie chart below gives information about her results.

Lesley says,
