2. Translate the following passage **into Swahili**.

When I think about shopping in the future, different ideas come to mind. I sometimes think that everybody will shop online in the comfort of their homes. This is because many people will work from home, alone, on their computers. There won't be any shops or markets. People will certainly be able to do other more important things with their time.

My sister thinks that "there will definitely still be markets with big shops in which people will enjoy buying and selling. People will always want to go out of their homes to do some shopping as this enables them to see what they are buying and also meet others in the community."

But, when I think of shops of the future, I imagine a completely different situation. The buildings, decorations, items for sale and even sales people will all be completely different.

And the act of buying itself will be easy. First, people will not want to carry many shopping bags and they won't need to. They will have the opportunity to have their products delivered directly to their homes at a time that would suit them. Therefore people should be able to buy as much as they want without worrying about being burdened by weight. And secondly, I don't think that we will need to carry money or credit cards as special equipment can be used to identify our eyes and our fingerprints so that purchases will be made through detection of personal identity.

In your view, will my thoughts become reality?

3. Translate the following passage into English.

Siku ya wazazi ni tukio kubwa katika shule yetu. Kila mtu anayehusika na elimu yetu anajishughulisha kikamilifu na sherehe hii. Ni siku ambayo akina baba na mama wanatakiwa kupewa habari kuhusu uwezo wa watoto wao shuleni. Pia ni siku ambayo sisi wanafunzi hupata nafasi ya kuonesha kazi kubwa tuliyoifanya mwaka mzima.

Kwa kawaida siku huanza na baraza la shule ambapo mwalimu mkuu hutoa hotuba. Halafu wazazi na walimu huwa na mkutano ambapo maendeleo ya mtoto wao hujadiliwa. Ushauri hutolewa kuhusu njia za kuwawezesha wanafunzi kuwa bora na jinsi wazazi watakavyoweza kuwasaidia katika masomo yao.

Halafu viranja au walimu huwazungusha shuleni ambapo huoneshwa majengo kama maktaba na ukumbi wa mazoezi. Wanaweza kutembelea madarasa yote na kuona miradi ya wanafunzi. Kwa kweli ni mojawapo ya siku muhimu sana katika kalenda ya masomo.

Matayarisho ya siku hii huanza mapema. Wiki moja kabla sisi husafisha, huweka picha mpya na kuhakikisha kuwa shule inapendeza. Pia hufanya mazoezi ya michezo na nyimbo tofauti ambazo zitaoneshwa ikiwa ni sehemu ya sherehe kubwa inayofanyika katika uwanja wa shule.

Baada ya maonesho, mara nyingi, mwalimu mkuu hutoa vyeti na zawadi kwa wanafunzi waliofaulu vizuri sana ambao hufanya kazi sana wakati wa masomo yao.
