IELTS Exam Preparation

StudentBounty.com

Program Overview

IELTS is the International English Language Testing System which tests English proficiency across the globe. Conducting 1.4 million tests globally, IELTS is the world's most popular English testing system.

IELTS tests are held in over 500 centres with tests up to four times a month. IELTS respects international diversity and is fair to anyone who sits the test, regardless of nationality.

The Tamwood IELTS Exam Preparation Program is a 25 hours per week course designed to help you improve your Speaking, Listening Writing and Reading skills while giving you all the strategies to increase your test score.

Tamwood guarantees a small number of students per classroom and a highly multicultural atmosphere

Students prepare to take the IELTS test by following a program that covers all components of the examination.

To help you prepare, Tamwood IELTS Preparation Program provides test samples and Official IELTS Practice Materials. The test covers the full range of ability from non-user to expert user. You are not limited in how many times you can sit the test.

Tamwood complements its courses with modern interactive learning tools

Tamwood College

Tamwood College is recognized as one of the most prestigious English Schools in Canada and it has memberships in some of the most recognized national and international language organizations including Languages Canada, IALC, WYSE, ALTO among others.

Tamwood Advantages

IELTS is the world's proven test. Due to its high quality controls, IELTS is accepted by thousands of organisations in over 135 countries.

- Universities, schools, training colleges
- Government departments and agencies (Official test of Immigration Canada)
- Professional and industry bodies
- Multinational companies and employers

Course Components:

- 1. Reading Skills**
Develop reading strategies to cope and understand academic English, focusing on overall comprehension, critical reading skills and understanding vocabulary from context.
- 2. Listening Skills**
IELTS listening classes concentrate on purpose, meaning, vocabulary and structure. Students will learn a variety of techniques for comprehension.
- 3. Oral Skills**
Students will gain the ability to speak spontaneously and convey their ideas clearly and coherently. Practice listening and responding to information orally will be a key factor in this area of preparation.
- 4. Writing Skills**
Academic writing skills, such as developing and writing an essay that explains and supports an opinion on an issue, will be practiced.
- 5. Vocabulary and Reference**
A fundamental part of any ability test; vocabulary development and reference skills such as using a dictionary effectively and efficiently will be practiced throughout the course.
- 6. Study Procedures**
