

97 Kiln Road

5/5/2001

Dear Neighbour,

As I am sure you are aware, there has been a sharp increase in the number of lorries and heavy goods vehicles using our residential street as a shortcut to the Derby Road industrial estate. There have already been two serious accidents, and it has become very dangerous for children to play outside or cross the road. There is also considerable noise nuisance, increased pollution, and damage to the road surface.

You are invited to an informal meeting at No. 97 Kiln Road to discuss petitioning the local council for traffic calming measures and a lorry ban. I hope that you can come along and support this initiative.

Yours,

Paul Norris
